"the City has refused to accept any and all lease payments which defendant has attempted to tender". Also enclosed is a letter dated June 30, 1995, from Finance Director Dotty Ingham to KKFO which returned a rent payment that had been tendered to the City of Coalinga. Also enclosed is a Statement from the City of Coalinga dated May 3, 1995, which shows that KKFO(AM) in fact had a credit balance for its tower rent of \$20.60. Western Pacific Broadcasting, Inc. has already reported the real reason for the eviction of KKFO(AM) from its tower site and that reason was redevelopment. We are attempting to obtain documents to demonstrate this fact at this time.

Based on the points outlined above, we respectfully request thirty (30) additional days beyond March 27, 2002, to further respond to the Commission's letter of January 25, 2002.

Thank you for your consideration of this matter. We are submitting this letter in triplicate.

Secretary:

This letter is submitted on behalf of Western Pacific Broadcasting, Inc., licensee of KKFO(AM), Coalinga, California. We are requesting additional time to further respond to the Commission's letter of January 25, 2002, regarding KKFO(AM).

We have encountered unexpected difficulties in obtaining information and documents required to properly respond to the Commission's letter due to lengthy illness and recent deaths of two attorneys who did considerable work for Western Pacific Broadcasting, Inc. in connection with KKFO(AM). We are attempting to resolve this difficulty as the information and documents that we had anticipated receiving from these sources is essential to the matter at hand. We need additional time to deal with the problems presented by the circumstances mentioned above. We are continuing to work on this complex matter which involves a wide range of issues as presented by the Commission's letter. Further, beyond the matter of deceased counsel as noted above, we are still awaiting the arrival of some additional information from third parties which is required to properly respond to the Commission's letter which inquires into almost 20 years of activity concerning KKFO(AM).

Based on the points outlined above, we respectfully request an additional twenty (20) days through July 8, 2002, to further respond to the Commission's letter of January 25, 2002.

Thank you for your consideration of this matter. We are submitting this letter in triplicate.
